

FOR IMMEDIATE RELEASE

FRANÇOIS CHEVALLIER JOINS OBA VANCOUVER

CALGARY, ALBERTA (May 5, 2016): Stephen Kendall, Managing Principal for [Osborne Business Advisors - BC](#), is pleased to announce that [François Chevallier](#) (BBA, MBA, ICF Coach) has joined the team as a Senior Advisor.

François is an IT and Operations leader who gets things done. He is a detail-oriented senior executive with a track record of developing and fostering high performance teams. His technology background, excellence in process improvements and analytical skills have been strengthened through national and international business experiences. Francois has been instrumental in helping companies launch new commercial programs, deliver complex IT projects, implement cultural changes, improve efficiency and manage growth. He is a trained business coach and a mentor with the UBC Business Graduate Program.

ABOUT OSBORNE BUSINESS ADVISORS

Osborne Business Advisors provide senior level consultants who can deliver solutions to complex client needs through their highly specialized skill set and applied experience.

Our Preferred Service Providers are accomplished business professionals with at least ten years of relevant experience in their field of work. They each have demonstrated career successes and have knowledge that spans a variety of industries having conducted work for companies large and small, public and private, local and multinational, as well as not-for-profit.
